PART TANGIBLE AND PART INTANGIBLE

Career

AUTHORITY FOR YOU IS:

- Find a mentor who IS this way, then BECOME this way.

Character

THESE THINGS MAY NEVER COME EASILY TO YOU:

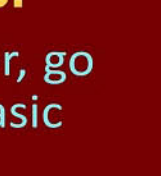

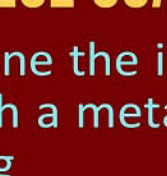

- to draw a boundary (because you're afraid of anger—both others' and your own)
- to control your drive (because you feel a force of nature lives inside you)
- to leap into action (because you fear you may be rash and destructive)
- to walk your own path, regardless of what others say

PURSUE THESE THINGS WITH DILIGENCE AND BECOME EXCELLENT AT THEM

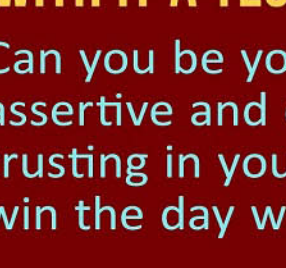

APT CAREER AVENUES FOR YOU TO PURSUE

- the military, especially extreme branches
- police, security
- sports of all kinds, but especially individual ones
- anything that calls for the spirit of adventure and extraordinary courage

TO REALLY BUILD CHARACTER, DO THESE SCARY THINGS:

- discipline the inner warrior, go through a metaphorical basic training
- practice, practice, practice until you can strike the jugular with the timing of a predator who was born to it
- be honest, direct and transparent at all times, no matter what
