WHAT IS THE GREAT WORK OF YOUR LIFETIME?

Your life's great work is

PART TANGIBLE AND PART INTANGIBLE

Career

AUTHORITY FOR YOU IS:

- Bright, articulate, stimulating, flexible, multi-talented.
- Find a mentor who IS this way, then BECOME this way.

Character

THESE THINGS MAY NEVER COME EASILY TO YOU:

- to have real knowledge (because it's impossible to learn everything)
- to be a writer (because it has to be both original and great, or it's not worth writing)
- to be witty, well-informed and current in a fast-paced world (because there's too much news to keep up with)
- to be intelligent without pontification or superiority

PURSUe THESE THINGS WITH DILIGENCE AND BECOME EXCELLENT AT THEM

APT CAREER AVENUES FOR YOU TO PURSUE

- writing of all kinds—fiction, nonfiction, technical or poetic
- curiosity—teaching, learning or data-manipulation
- research, statistics—anything that generates facts or information
- journalism, blogging or anything that distributes news

TO REALLY BUILD CHARACTER, DO THESE SCARY THINGS:

- use your whole intelligence without holding back.
- learn everything you can and practice providing exactly what others need to know—not too much or too little.
- practice truly communicating with others—both speaking all that's important to say and really listening so that others know they're heard.

SATURN IN GEMINI BRINGS WITH IT A TEST OR REALITY CHECK:

Can you be a roundhouse for the right information to be discovered and distributed where it should go, without self-importance—and maintain the curiosity and wonder of a child?
